JOINT NATURE CONSERVATION COMMITTEE

JOINT COMMITTEE STRATEGY SUB-GROUP: DRAFT TERMS OF REFERENCE

1. In December 2002, Committee agreed a Statement of Strategic Direction and appointed a sub-group to take this work forward. The draft terms of reference for the sub-group are to:
 - i. formulate a UK vision for nature conservation, within a European and global context.
 - ii. prepare an aspirational strategy to describe the mission and objectives of the JNCC in meeting the vision.
2. To achieve this JNCC will:
 - i. oversee a process by which clear strategic direction, and associated products, will be developed to meet Committee's requirements;
 - ii. ensure that the process of development takes into account relevant nature conservation issues, the interests of key stakeholders, and other factors relevant to JNCC's strategic position;
 - iii. assist the Support Unit to develop and evaluate strategic options for meeting the mission and objectives;
 - iv. ensure that other members of Committee and key stakeholders are appropriately informed and consulted about strategy development.
